ABOUT THE BOEING CLASSIC

The Boeing Classic, a PGA TOUR Champions event, was founded in 2005 by Virginia Mason Franciscan Health and the Seattle Seahawks. The beneficiary of the tournament is the Benaroya Research Institute (BRI) at Virginia Mason Franciscan Health. This annual event celebrates the researchers and patients who benefit from the advances made possible, in part, by the tournament. It also recognizes the committed partners who contribute to this important cause.

ABOUT BENAROYA RESEARCH INSTITUTE (BRI)

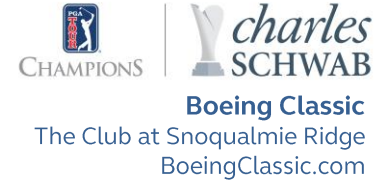

As the primary beneficiary of the Boeing Classic, BRI uses the proceeds to advance cutting-edge research to **predict, prevent, reverse and cure diseases that involve the immune system**, like type 1 diabetes (T1D), lupus, multiple sclerosis, cancer, and COVID-19, and applying discoveries made in one disease to improve health for all. BRI recently played a significant role in developing a therapy to delay disease onset, for two years or more, for people at high risk of developing T1D. Now, we can definitively state that detection is feasible – and prevention is possible. BRI is actively working to apply this advancement to other autoimmune diseases. BRI is part of an integrated health system, Virginia Mason Franciscan Health (VMFH), which serves the Pacific Northwest.

ABOUT THE CLUB AT SNOQUALMIE RIDGE

The Club at Snoqualmie Ridge, which was designed by Jack Nicklaus and originally opened in 1999, was voted the "Most Beautiful Clubhouse" in Washington state by Architectural Digest in 2018 for its "craftsman-inspired decor...and expansive windows." The Club at Snoqualmie Ridge's par-72, 7,217-yard championship layout sits at the base of the Cascade Mountains and is renowned for its stunning terrain and amazing wildlife, which includes an eagle sanctuary on the 14th hole.

BENEFICIARIES

Powering Possibility

We all have an immune system. For most of us, it works properly – turning on when we need it, slowing down when we don't, and usually moving at just the right speed. But for some, the immune system will veer off course or make a critical mistake. It may convince the body to attack itself, as in autoimmune disease, or mistake a harmless allergen – such as peanuts – for a foreign invader that must be stopped. It could produce cancerous cells that multiply at an uncontrollable rate or become confused and overreact to COVID-19.

Through cutting-edge science and global collaboration, Benaroya Research Institute at Virginia Mason Franciscan Health (BRI) is powering progress in science to predict, prevent, and reverse conditions and diseases that involve the immune system. By collaborating with physicians and clinicians around the world to develop leading-edge treatments and translate them to clinical therapies, BRI scientists are transforming our understanding of immune health, applying discoveries made in one disease to improve the health of all.

When you support BRI, you power the science that changes lives and creates new possibilities for every person touched by an immune system disease.

HOW TO PLAY SNOQUALMIE RIDGE

FRONT 9

Hole #1, 554-yard PAR 5 SOUTHERN DESCENT 2023 Average: 4.534 Rank: 18

This par five is an impressive starting hole. Bunkers come into play on each shot, so accuracy is essential. A well-placed second shot on the left side of the fairway facilitates a clear approach to the guarded green. Proper club selection sets up a strong birdie opportunity.

Hole #2, 410-yard PAR 4 BACKYARD 2023 Average: 4.190 Rank: 6

The second hole presents a daunting par four. With a generous landing area, the hole's only real obstacle on the tee shot is a bunker on the right side of the fairway. Still, the tricky, undulating green doesn't yield many birdies.

Hole #3, 462-yard PAR 4 THE RIDGE 2023 Average: 4.267 Rank: 2

This long par four has been rated the No. 1 handicap hole on the course. It requires a solid drive if a player hopes to reach the green in two. Deep bunkers front the green to the left and a grassy swale awaits any tee shot drifting right. It plays into the prevailing wind and slightly uphill.

Hole #4, 426-yard PAR 4 TWIN FIRS 2023 Average: 4.203 Rank: 5

This par four provides a stunning downhill tee shot. Fir trees and bunkers guard both sides of the fairway and a creek cuts across it at the bottom of the hill. The green is heavily guarded short right and long, making proper club selection imperative.

Hole #5, 475-yard PAR 4 FALL CITY 2023 Average: 4.181 Rank: 7

Named for its view of Fall City and the Redmond-Fall City valley, this long par four accepts a robust tee shot. A wide fairway and generous downhill landing area allow the ball to funnel toward the green, but a steep cliff drops off to the left, so be sure to avoid going too far to that side. The downhill approach plays shorter than it seems because the ball releases toward the hole.

Hole #6, 207-yard PAR 3 CASCADE 2023 Average: 3.030 Rank: 9

The aptly named par three offers a postcard view of the Cascade Mountains from the tee box. Don't let the vista distract you from a challenging downhill shot to a heavily-guarded green. With bunkers short left and long right, playing the ball from right to left is the safer bet.

Hole #7, 375-yard PAR 4 DECEPTION 2023 Average: 3.940 Rank: 12

One of the shortest par fours on the course, Deception presents several challenges appropriate to its name, such as a small lake in front of the tee box, an elevated fairway, fairway bunkers and deep greenside bunkers.

Hole #8, 529-yard PAR 5 THE NARROWS 2023 Average: 4.690 Rank: 16

This par five is lengthened by a narrow landing area and a lake protecting the front and left side of the green. A well-placed second shot to the right of the fairway allows the payer to attack the pin, using the full length of the green for safety. Going for the flag in two is risky because water and/or sand guard all sides of the green.

Hole #9, 196-yard PAR 3 SCREAMING EAGLE 2023 Average: 3.272 Rank: 1

This par three over water and bunkers will test even the strongest nerves. With a carry of 196 yards over Eagle Lake and an additional 8 yards over the greenfront bunker, the 9th can ruin a decent round with one poorly executed swing. Commitment to going for it is crucial.

HOW TO PLAY SNOQUALMIE RIDGE

BACK 9

Hole #10, 353-yard PAR 4 BUNKER HILL 2023 Average: 4.000 Rank: 11

An uphill hole, this is the shortest par four on the course, with deep fairway bunkers coming into play off the tee. A precise long iron or fairway wood is the safest play. Deep bunkers also protect an undulating green.

Hole #11, 484-yard PAR 4 NORTHWEST PASSAGE 2023 Average: 4.233 Rank: 4

This par four is long and tough, with a series of bunkers protecting the fairway right. A tee shot to the left sets up a long approach to a tiered green, which is guarded by deep bunkers on the left. A two-putt par is a good result at this challenging hole.

Hole #12, 426-yard PAR 4 THE FALLS 2023 Average: 4.013 Rank: 10

The black tee box on this par four offers a view eastward toward famous Snoqualmie Falls. A great tee shot goes right of a series of fairway bunkers protecting the left side. The two-tier green demands a precise approach to set up a birdie try. Downhill putts can be slick.

Hole #13, 207-yard PAR 3 MT SI-GH 2023 Average: 3.168 Rank: 8

Mount Si and the surrounding Cascade mountain range frame this downhill par three, one of the most spectacular holes on the course. Bunkers lurk short and left of the green, so a right-to-left tee shot will release to the hole, setting up a birdie opportunity.

Hole #14, 448-yard PAR 4 BEAR'S CANYON 2023 Average: 3.897 Rank: 13

The par-four 14th is the signature hole of this Jack Nicklaus course, featuring an elevation drop of 80 feet from tee to green. The horseshoe-shaped fairway can be shortened dramatically with a risky tee shot over the canyon. A 14-foot-deep bunker guards the small green and should be avoided at all costs. Hit a precise approach shot to set up a chance at birdie.

Hole #15, 590-yard PAR 5 VALLEYS 2023 Average: 4.759 Rank: 15

The 590-yard par five boasts lovely views of several valleys slicing through the Cascade range. A strong tee shot and a well-placed second shot set up a good angle to the protected green. A valley running across the center of the green requires a precise approach.

Hole #16, 380-yard PAR 4 RAT'S NEST 2023 Average: 3.866 Rank: 14

The inviting 16th has 11 bunkers awaiting an errant shot, so a well-placed drive is a must on this par four. Falling short on the approach to an elevated green leaves a difficult bunker shot, so choose your club wisely.

Hole #17, 211-yard PAR 3 ON THE ROCK 2023 Average: 3.254 Rank: 3

The par three requires a difficult tee shot – over water and an enormous rock – to a green divided into right and left tiers. A precise tee shot feeds toward the hole.

Hole #18, 498-yard PAR 5 CRAFTSMAN 2023 Average: 4.621 Rank: 17

The 498-yard finishing hole proves anything but easy. Shortest of the par fives, it plays uphill toward the Craftsman-style clubhouse. Embraced by a natural amphitheater, the fairway and green are guarded by 16 deep bunkers. A precise approach shot offers a solid birdie bid. As you line up your putt, imagine 30,000 fans ready to cheer as the ball rolls in for a tournament victory.
