

ROUND 3 QUICK QUOTE
August 11, 2024

STEVEN ALKER (-10)

Q. Looks like you're going to come up one shot short, but overall pleased with the week?

STEVEN ALKER: Yeah, yeah, I was. I had a tough finish yesterday and kind of got over that and just knuckled down. Obviously we needed some help from the leaders start of the day and we kind of got that. I was kind of surprised when we got through 9 and we looked at the leaderboard and we were only two back. Yeah, it was just a great fight. It was a lot of fun, I really enjoy that back nine, we going at it, and yeah, came up just one short.

Q. Describe just the competition. You talked about it a little already, but just in your group in general.

STEVEN ALKER: We're still talking, we're still having a little bit of a laugh, but it's serious. To be in that atmosphere and know that possibly going to have a champion in this group, you're just trying to be aggressive but conservative aggressive, you know what I mean? It was just a lot of fun.

Q. Obviously a great weekend for you. What's just the mentality now heading into the rest of the year?

STEVEN ALKER: Just keep going. These guys are playing well, Ernie's playing great and Steve, he always plays great every week. Just got to keep the hammer down and just keep trying to win.
